

The Mellotone Rap (Copyright - Oct 1987)

We're the Mellotones! And we take no crap!
When we deliver our Mellotone Rap!

We're here today, to jam for you,
So let me just tell you what we can do!

"Good Lovin" is our original song,
But many others then came along.

We'll play that *"Old Time Rock & Roll"*,
And *"Leroy Brown"* to thrill your soul!

We got *"Youngblood"* and *"Twist & Shout"*,
We're *"A Hard Act to Follow"* and we'll knock you out!

The gigs we play are so much fun,
Cause we introduce the band with *"Peter Gun"*.

We started out at Euclid High,
With a Gorilla amp all ready to fly!

We got some vocals, and we got a sax player,
And we topped it all off with a maraca shaker!

We practiced hard, & we were quite a site -
As we rocked the house on Senior Talent Night!

It was quite a seen, it was mighty grand,
As it unified this Mellotone band.

Now Prom-Aid came, and we were ready to go,
We were all psyched up for the great big show.

We went up to ****'s room to practice our junk,
We didn't to much playing but we sure got drunk! *(Thanks Rob!)*

We we're feeling hot, and ready to play,
There was nothing that could possibly stand in our way!

But we lost all our hopes and all our dreams,
When our boys got suspended in New Orleans! *(Again - Rob!!)*

But that didn't stop us from having fun,
As we got in and showed 'em who's number one!

Now the Shore Fair came, and we were ready to play,
And we all practiced up till the very last day.

When we got there, ***** was our only game,
But there was ***** , *"Ain't That a Shame!"*

Now I'm Michelle, as you can tell,
If you don't like my singing, you can go to hell!!!

I wish I may, and I wish I might,
Say this band is out of sight!

We've come real far, when times were rough,
And I'm the lead singer cause I know my stuff!!

Now my name's Jay, and I'm here to say,
This Mellotone rap really makes my day!

I can jam that piano, and slap that bass,
And I can screech my trumpet till I'm red in the face!

Now my name's Mark, and I know where I stand!
I'm the lead guitarist of this Mellotone Band!

I can pick and strum, and bend those strings,
And I can crank that distortion and make it scream!

Now my name's Mike, and let me say to you,
That shakin them maracas is what I do!

I can shake 'em left, and I can shake 'em right,
And I can do this Mellotone rap all night!

Now my name's Ted, don't let it go to your head,
Cause you know that someday, I'll be dead.

You know I'm your musician, and I'm quite all right,
As I'm playin them keyboards day and night!

I can figure out the chords, and make it cool,
And my harmonica screams on "*What I Like About You!*"

I'm trying to make this rap sound as best I can,
As you can see that it was made by this Mellotone man!

I'm doing this rap, and I'm having fun!
I'm a Mellotone rappin son of a gun!!

I'm into this band cause we're honest and true,
And we're doing this Mellotone rap for you!!

Cause we're the Mellotones!! And we take no crap!
When we deliver our Mellotone rap!!

We're a singin and a playin and a sounding sweet,
If you come and see our show, it'll be a treat!

We're a rockin and a rollin and a sounding fine,
If you like us then you'll surely be a friend of mine!

So come on Mellotones! Give us a song!
We know that you can do it cause you can't go wrong!

You don't need to practice cause you are so good,
So just pick an easy tune like a Mellotone should!

You will know your fate, as you will go far,
Every student and their grandmother should know who you are!

We can rule the world, there is no doubt!
Cause that's what this band is all about!

Though there'll be a day, when we'll be gone,
That Mellotone memory still lives on!

As we travel with our music all across the land,
Just make sure that you remember that Mellotone Band!!
